

Sec 9504

(b) Research Agreements-

(1) AUTHORITY OF SECRETARY- The Secretary may enter into 1 or more agreements with any university, nonprofit research institution, or organization with water or power delivery authority to fund any research activity that is designed--

(A) to conserve water resources;

(B) to increase the efficiency of the use of water resources; or

(C) to enhance the management of water resources, including increasing the use of renewable energy in the management and delivery of water.

(2) TERMS AND CONDITIONS OF SECRETARY-

(A) IN GENERAL- An agreement entered into between the Secretary and any university, institution, or organization described in paragraph (1) shall be subject to such terms and conditions as the Secretary determines to be appropriate.

(B) AVAILABILITY- The agreements under this subsection shall be available to all Reclamation projects and programs that may benefit from project-specific or programmatic cooperative research and development.

(c) Mutual Benefit- Grants or other agreements made under this section may be for the mutual benefit of the United States and the entity that is provided the grant or enters into the cooperative agreement.

(d) Relationship to Project-Specific Authority- This section shall not supersede any existing project-specific funding authority.

(e) Authorization of Appropriations- There is authorized to be appropriated to carry out this section \$200,000,000 to remain available until expended.

Sec 9509 - The Secretary may enter into contracts, grants, or cooperative agreements, for periods not to exceed 5 years, to carry out research within the Bureau of Reclamation.

Statement of Work (work plan):

For each task listed in the Budget, Task, and Schedule Table; include a brief description of the task, as needed, to better define the expected effort.

The Statement of Work should include a task to publish the results of the research in peer-reviewed literature, or other appropriate media, to ensure broad dissemination and public use of results. This requirement helps ensure that the public purpose benefit associated with AID Condition #1 is achieved
